SLATE

BENUZA

TECHNICAL SHEET

BENUZA

BENUZA is an excellent quality slate that originates from the northwest of Spain, region known as “the cradle of slate”.

Our slate is regularly subjected to the most demanding quality controls thanks to which we have the international certifications CE, NF and ATG .

BENUZA slate is characterized by its dark grey to almost black color and its smooth surface, which gives a special beauty and elegance to all types of roofs.
